

2022 'Down the Hill' Estate Pinot Noir

Our Thoughts

The deep red purple colour of this wine does not disappoint. A brooding mix of savoury characters; charcuterie and hints of leather together with blue and dark fruits and a striking raspberry edge. The palate is layered, sultry, and complex and will provide much joy in the years ahead.

Vintage Comment

The 2022 season started with a very wet and variable spring before and during flowering, resulting in small bunches and berries and reduced yields across most sites. However, the exceptional summer and autumn months that followed provided perfect ripening conditions, resulting in great concentration, colour and striking flavours across all varieties.
