

## 2022 Judd Chardonnay

### Our Thoughts

Aromas of orange rind and spice intertwined with zesty lemon curd provide a wonderful entre to this wine. The palate is focused and silky with wet river stone flint adding to the saline mineral drive on the finish.

### Vintage Comment

The 2022 season started with a very wet and variable spring before and during flowering, resulting in small bunches and reduced yields across most sites. However, the exceptional summer and autumn months that followed provided perfect ripening conditions that generated great concentration and striking flavours across all varieties
